MINUTES of the meeting of 18 June 2007 were approved, subject to the following amendment proposed by Bill: -

Western Peripheral Route – Nothing to report. Agreed to write to new Transport Minister welcoming review of road projects. Bill suggested pointing out that the 'Road Sense' poll of a total of 112 Council and Holyrood election candidates elicited responses from 41. Of those responses, 40% were opposed to the AWPR, 40% opposed the proposed route, and only 20% were in favour of the AWPR proposal as it stands.

Mr Masson queried The Green Wedge organisation- Bill explained some of the group's aims. Mike will ask Rob Winmill to call Mr Masson to clarify our relationship with regard to the Blairs planning application.

1. MATTERS ARISING

New Lairhillock School – Lighting query: Cllr. Nelson said that the lighting had been installed to meet the minimum requirements to allow site security cameras to operate properly. He also advised that the school facilities could be used by the Community Council for meetings at no charge. Booking forms for use of premises are available from Isabel Officer **01569 762001**.

School Buses – Steve Davies provided a copy of a letter received from Stagecoach (the company contracted to provide the Lairhillock school bus service) that stated it would now be using a bus fitted with seat belts on this route. Steve considered that this should apply to all school bus routes. In response to comments from Cllr. Melling, Steve stated that he did not consider a change of law was required for seat belts to be made mandatory on all Aberdeenshire school buses.. Bill added that it should be a straightforward decision based on a suitable risk assessment but .. Cllr Melling disagreed.

Web site – To be updated.

Roads – Bill had nothing to report. Mike read a letter from Mark Skilling re Banchory-Devenick crossroads. It was agreed that Mr Skilling to clarify his responses and address some of the other

issues raised for no response had been provided. In response to a question raised at an earlier meeting Cllr Mollison reported that road signs at old schools were still in place but had been advised that their removal was imminent.

Western Peripheral Route – It was reported that two minor roads from Banchory-Devenick are scheduled to be closed in the latest plans for side roads. Cllr Mollison will send a copy of Plan 8 to Secretary. Bill will check Website for Roads Team version of ALP.

Bill expressed concern about local bus services. Cllr Melling said that the Bus Forum was an ideal opportunity to raise such concerns – their next meeting would be at Viewmount on 13 September at 7:30pm.

Duncan asked whether the council would uplift an additional bin if he purchased one as he was finding it difficult to manage at times with a single bin. Cllr. Nelson said if a householder required another bin the department would visit and encourage recycling. Mike asked Duncan to contact local office and report back.

Cllr Nelson asked if we were aware of Community Planning. Generally understanding of those present was limited.

Hazel reminded everyone that the deadline for submissions for the next edition of South Deeside View was 24 August.
